

ATTENTION

Town of Fulton Residents

The Town of Fulton Board has been requested to consider allowing ATV/UTV routes within the township. In an effort to better gauge the interest and details of such a project an Ad Hoc Committee has been appointed and they would like to hear from Town of Fulton residents with both favorable and unfavorable opinions.

- 1) Would you support or reject ATV/UTV usage on Town of Fulton roadways and why?
- 2) If supportive, what would be the purpose of ATV/UTV usage?
(Errands? Entertainment (joy riding)? Primary source of transportation? Other (specify))
- 3) Where in the township would you like to see ATV/UTV routes opened up and/or prohibited and why?
- 4) Do you feel there should be restrictions as to the time of day ATV/UTV's are allowed to travel on township roads?

Feedback from Town of Fulton residents only is requested. Please provide feedback, full name and address within the town to FultonATVInfo@gmail.com no later than 5/13/2024.

Full name and address within the Town of Fulton must be submitted for feedback to be considered.
