The County has been working through a recruitment process to replace County Administrator Josh Smith who resigned effective November 15, 2024. We would like to invite you and anyone you would care to bring along, or send in your place, to a community event where you will have an opportunity to talk with the County Administrator finalists and give your input to the County Board Staff Committee. After a short presentation by each candidate, we will divide into small groups to talk with each candidate and then rotate every 15 or 20 minutes so that each person will have a chance to be in a small group with each candidate. After meeting the candidates, those who wish to, will be able to fill out a comment card.

For more information, please call the Rock County Human Resources Office at 608-757-5520.
